

IPSOS POLICY FOR PERSONAL DATA PROTECTION

Ipsos Arařtırma Ve Danıřmanlık Hizmetleri Anonim Őirketi (Ipsos Turkey), renders research and consultation services in the fields of marketing research, media and advertising research, public opinion and social research, customer and employee relations management and therefore it is of utmost importance to ensure confidentiality, privacy, security and protection of entrusted personal data and to comply with all relevant legislative provisions, including the Personal Data Protection Law No: 6698 as well as sectoral standards and in respect of the research work the ICC/ESOMAR Code on Market, Opinion and Social Research and Data Analytics.

This policy intends to inform individuals with respect to personal data practices of Ipsos Turkey and it applies to all kinds of personal data obtained from any source.

Please keep in mind that Ipsos Turkey may also act as solely a data processor depending of the type and nature of research project. In these cases; clients procuring research services are actual data controllers.

This Ipsos Policy for Personal Data Protection can be updated from time to time if needed.

PERSONAL DATA COLLECTION METHODS

IPSOS Turkey, obtains your personal data as the Data Controller for lawful, specific and legitimate purposes and on a voluntary basis directly from you (*for example when you entrust personal data in order to participate in one of our surveys or to procure services from us as a customer, or to provide us with outsource services such as survey agents, moderation, transcription, translation etc.*) or from lawful sources such as official records open to public or publicly available information sources via automatic (*electronic and digital media such as e-mail, internet, web-based platforms, data transmission channels*) or non-automatic (*physical printed forms, official documents, reports, files and folders*) means and in each case to the extent permitted by applicable law and by obtaining your prior explicit consent when requisite. Furthermore, Ipsos Turkey may obtain your personal data from companies that procure research participants; provided that agreements are in place and on the condition that these providers fulfill the obligation to inform data subjects before sharing any personal data with Ipsos Turkey and to obtain explicit consent when required by applicable law. Therefore, in such cases, your personal data are obtained relying on your previous consent given to the institutions with whom you voluntarily shared your information because you want to become a participant in surveys.

In any case, personal data of research participants, are obtained by un-automatic ways such as notes taken during face-to-face interviews, filling out printed forms or automatic ways such as answering questionnaires via web-based, online applications, entering face-to-face responses on tablets used by the survey agents, audio and video recordings, telephone interviews etc.

IPSOS Turkey, also obtains your personal data as the data processor from clients commissioning our services for purpose of contacting you to participate in our surveys contacting purposes. Ipsos Turkey ensures that agreements are in place requiring that such clients fulfill the obligation to inform data subjects before sharing any personal data with Ipsos Turkey and to obtain explicit consent when required by applicable law. Your personal data are obtained relying on your previous consent given to such client from which you purchased services / products.

PURPOSES OF PERSONAL DATA PROCESSING and LEGAL GROUNDS

We process personal data that is entrusted to us by research participants, research owner clients, business partners, suppliers and other relevant persons and institutions on voluntary basis or that derives from research activities or that has previously become publicly available; for purposes such as contacting you, carrying out planning, research, analysis and statistical activities, providing the most accurate service to our clients and to communicate with the relevant persons and on the legal grounds such as conclusion and execution of relevant contracts, fulfillment of our legal obligations,

establishment, exercise and protection of our rights and when needed for legitimate interests in commercial and business purposes such as security, following up trade and business relations, payment, complaint management, controlling and ensuring service quality, reporting, resource management etc.

Your personal data are used only for a period that is necessary and sufficient for the realization of the above stated needs and purposes and for the periods permitted and / or stipulated by the relevant legislation and they are deleted, destroyed or anonymized upon the expiry of these periods.
